ORDER GRANTING PLAINTIFFS' MOTION TO AMEND COMPLAINT

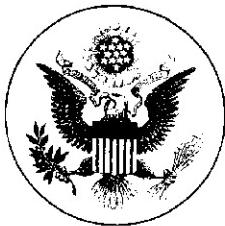

Before the court is the July 20, 2005 motion of the plaintiffs, Angela McCutchen and Christopher McCutchen, requesting that the court grant their request to file an amended complaint in this case. The plaintiffs seek to amend their complaint to make additional allegations discovered after the filing of the original complaint. This motion has been referred to the United States Magistrate Judge for determination. For the following reasons, the motion is granted.

Pursuant to Local Rule 7.2(a)(2), responses to motions in civil cases are to be filed within fifteen days after service of the motion. The defendants in this case have not filed a response

to this motion, and the time for responding has now expired. Rule 7.2(a)(2) further provides that "[f]ailure to respond timely to any motion, other than one for requesting dismissal of a claim or action, may be deemed good grounds for granting the motion." In the absence of any response by the defendants, the McCutchen's motion to file an amended complaint is granted.

IT IS SO ORDERED this 11th day of August, 2005.
